

1st Grade News

Date: 1/14/19

What's Coming Up...

- There will be a spelling test this week for all students. Please turn in the spelling packet on Friday.
- Students will study The Colonies in Social Studies. In Science, we will be studying Forces and Movement of Non-Living Things.
- There will be fluency this week. Please return the fluency page on Friday.

Toys in Class

Students should not be bringing toys from home. We cannot be responsible for toys that are lost, broken, or stolen. Toys are not allowed on the playground or in class. Please be sure backpacks are free of toys in the morning. If toys are being used in class or at recess, they will be taken from the students until you can come pick them up or until the end of the year. We appreciate your help with this!

Science Fair

Just a reminder that if your child is participating in the Science Fair this year, his/her project needs to be brought to school by Wednesday, January 16th. Judging will take place on that day. This is optional for first graders.

100th Day Celebration

We will be celebrating our 100th day on Friday, January 25th. Students in Kindergarten through 2nd grade can come to school dressed as a 100 year old person. Please be sure clothes are modest and appropriate for school. Also, shoes should adhere to the dress code due to safety (no slippers).

Parents and Pastries

We will be celebrating Parents and Pastries on January 25th. Please plan to attend from 7:30 to 8:00 to read with your child and enjoy a delicious donut!

Spelling Bee

Our classroom spelling bee will be held on January 18th. All students will be participating in our classroom bee; however, first grade does not participate in the school spelling bee. A list was sent home for your child to study. Click the link below if you need a new copy.
